

# Home Delivery Pharmacy

Your prescriptions delivered right to your door and pre-packaged for your convenience.

## Home Delivery in 5 easy steps!

### Starting Home Delivery Pharmacy

- 1 Create your account by signing up online at [www.alliancepharmacy.ca](http://www.alliancepharmacy.ca) or over the phone at 1-877-797-7979.

### Transfer Medical Information

- 2 Have your doctor fax your new prescriptions. And existing prescriptions from your previous pharmacy.

### Prescription Filling

- 3 Robotic dispensing technology enables prescriptions to be filled accurately and efficiently, prescriptions are sorted into daily doses and can even be filled for morning and evening doses.

### Shipping

- 4 Free, next business day shipping on all your prescription medications, across Canada.

### Replenish

- 5 Alliance Pharmacy will send a refill reminder before you run out, and call your doctor when your prescription needs to be renewed.

### MedPack:

### Medication, simplified!

When you receive your shipment your medications will be organized by daily doses in plastic bags with your medication information listed on the front, which includes:

- Name
- Required Time/Day to ingest
- Medications inside
- Help/Reorder Phone #
- Morning/evening indicator
